Our language courses

Develop your language skills.

We offer an effective and enjoyable approach to language learning. Our dynamic teachers focus on communication to create a relaxed, fun and stimulating atmosphere.

Enjoy language learning

The Alpadia course programmes have been specially designed for young students and are adapted to the level of each participant. Alpadia offers an effective and enjoyable approach to language learning, attaching particular importance to communication. This is the perfect opportunity to develop your language skills and to have an unforgettable experience!

Our teachers

Our teaching team is made up of dynamic teachers who follow a communicative approach. They are chosen for their teaching abilities, enthusiasm and the personalised attention they know to give each student. They make every effort to create a relaxed, fun and stimulating atmosphere and the topics of the lessons are aligned with the interests of the students. This fun and motivating teaching is the key to effective learning.

Adapted to your level

At the beginning of your stay, you will take an evaluation test, after which you will be placed in a class corresponding to your level. A weekly test allows the teacher to accurately follow up on the progress being made by each student.

Our certificate

At the end of your stay, you receive an Alpadia language certificate attesting to your participation in classes, validating your language level and specifying the results obtained.

Course types

Classes take place every morning from Monday to Friday. At each venue, you have the choice between a standard and an intensive course. Private lessons are available in combination with the Standard course only.

Standard course

20 lessons x 45 minutes per week

Every weekday, benefit from three hours of language classes in small groups with our engaging and dynamic teachers.

Intensive course

25 lessons x 45 minutes per week

Benefit from five additional lessons per week, focussed mainly on oral communication, ideal for getting the most out of your group classes and encouraging rapid progress.

Private course

5 lessons x 45 minutes per week

Take advantage of five additional private lessons per week to reach your personal objectives. Rapid progress is guaranteed. Private lessons can only be combined with the Standard course.

Project Language

This programme offers students the opportunity to work together to design, create and exhibit their own production – a presentation, poster, video etc. It allows each student to share and learn from each other, develop and showcase artistic, creative or leadership skills, manage time, challenge assumptions and become better communicators. Whether students want to create their own class newspaper, direct a play or prepare a business pitch, Project Language will work for them!

Excursions in action

This programme ensures that students keep learning and improving their language skills outside the classroom, on excursions and during extracurricular activities! Teachers will carefully prepare classroom activities based on the places of interest that will be visited so students can learn more about the sights and improve their language skills at the same time. This way students get the most out of their experience in the native environment.

Located in the Swiss Alps, at an altitude of 1263 m, the charming resort of Leysin is exceptionally sunny throughout the year, which explains its renown amongst lovers of nature, mountains and splendid panoramas.

The town has evolved over time, developing extensive sports and leisure facilities. Paris-Igny

The City of Lights

A charming small town to the south-west of the Paris Metropolitan Area, nicknamed the Garden City, Igny is an oasis of fresh air and greenery located barely 40 minutes by train from the heart of the capital. Thanks to this ideal setting, participants can combine language classes, sports and residence accommodation in a magnificent and perfectly safe environment while taking advantage of the proximity to Paris to discover the marvels of La Ville-Lumière.

Admire the French capital from the Eiffel Tower or from the bridge of a river boat, sit down for a 3D projection which is even better than the real thing at the Géode of the Museum of Science, pose beside the wax statue of Zinedine Zidane, stroll along the lively small streets of the Latin Quarter, applaud the Beaubourg street artists or admire the splendours of the Palace of Versailles... it's all there for you to enjoy during your language study trip to Paris!

Frankfurt-Lahntal

The Heart of the Lahn Valley

Located north-east of Frankfurt, the Lahn Valley is one of the most beautiful regions of Germany. With numerous castles, impressive churches, cathedrals and legacies from Celtic and Roman times, the Lahn valley offers many places of cultural and historical interest. The area is dotted with fortresses, castles and half-timbered houses, which are found over the hills and in the towns. A mix between fairy tale and baroque styles, this unique region offers a multitude of places to visit.

The forest-covered mountains and local rivers provide a natural environment of serenity and beauty. It is an ideal location to experience numerous outdoor activities and to take advantage of the fresh air and natural splendour of the region. Weekend excursions are organised in the nearby cities of Frankfurt and Cologne, allowing students to get a dose of the cities and their many attractions, not to mention the shopping opportunities.

All these attributes make this an idyllic environment for young students to combine language classes with a sportive and cultural language holiday.

A quintessentially British experience

Bath has been a popular destination for tourists for over 2,000 years. People would flock from all over Europe to bathe in the natural hot springs in the Roman bathhouse and visit the temple of Sulis Minerva. Then in the 18th Century, the spa again was the focal point that attracted people to build the magnificent city we see today. There's no surprise why this jaw-droppingly beautiful place has been designated a UNESCO World Heritage Site.

On top of its rich history, there is so much to do and see in Bath. Walk around and explore the Edwardian buildings or join a river boat trip down the River Avon. Or if you want to simply let off steam, kick around a football in the Sydney Gardens or beat your friends in a game of crazy golf. The small-town environment creates a safe and friendly place to relax while having fun. It won't take you long to see why this is deemed one of the most beautiful cities in the UK.

From Bath, you can easily access some of England's most iconic destinations. A visit to Stonehenge will take you back 5,000 years as you explore the best-known prehistoric monument in Europe. While you're there, visit the medieval city of Salisbury or the prosperous maritime history of Bristol. Bath is a great destination for a quintessential British experience.

Torquay

A secret slice of paradise

Few people know UK's best kept secret. Torquay, based in the South of England, is a resort getaway for those who want to get some sun while away. Torquay boasts a micro-climate with warm weather, soft sand and beaches lined with tropical palm trees.

Torquay is the perfect place to relax, whilst immersing yourself in English. The marina will transport you to a continental getaway, with stunning yachts, fancy boutiques and a relaxed atmosphere. For those looking for entertainment, jump on the English Riviera Wheel to check out the sights. Test your skills at Jungle Journey Adventure Golf, check out the aquatic life at the zoo and aquarium or go support Torquay United at the Plainmoor football stadium.

This unexpected paradise is a contrast from the rest of England. A day trip to more traditional British towns will take you to Dartmouth Castle, "coasteering" in Devon's sea caves or Dartmoor National Parks.

Friends forever

General Information

Accommodation

Home away from home

It is certainly easier to communicate, to exchange and to discover the culture around you when you feel at home. In a pleasant and welcoming environment, you will be able to take full advantage of your language study stay. We have selected various accommodation options designed around the requirements of young students. According to the region, our students can choose to stay in a residence or with a host family. Whichever option you choose, you will be in an ideal situation to practise the language you are studying daily.

Alpadia residences

Live with young people of all nationalities, discover various points of view and make new friends. Residence accommodation allows you to have a very enriching experience of community and international life. Depending on the destination, students are accommodated in bedrooms with 1 to 4 beds alongside other Alpadia students. The language classes, the majority of meals as well as some of the activities take place within, or in the immediate surroundings of, the Alpadia campuses (residence and course centre). On request and depending on availability, students may be accommodated with a friend.

Alpadia host families

The conviviality of a family environment, daily practice of the local language and the discovery of a new culture are some of the numerous advantages that host family accommodation offers. You stay in a twin room and share the common rooms with the members of the family. You eat breakfast and the evening meal with the family and lunch in the cafeteria of the course centre. On request and depending on availability, our students may be accommodated with a friend.

Pocket money service

Just like at the bank

In the Alpadia residences, a pocket money service is available to the students. Functioning like a bank, the pocket money service is open every day, allowing students to deposit or withdraw money.

Internet & telephone access

Stay connected

The internet lets students stay in touch easily with their families. All Alpadia course centres provide free internet access. What's more, the course venues in the Alps are situated in regions benefitting from good mobile phone network coverage.

Insurance

Travel with full peace of mind

You will find various insurance options on our enrolment form. These insurance policies are valid in Switzerland, France, Germany or England. Please contact us for policies valid in North America.

Health/accident

During your enrolment for one of our programmes, you will need to certify that you are in possession of compulsory health and accident insurance cover, valid in the country that you wish to visit. Alpadia provides insurance for students from £/€/CHF 12 or for students participating in Premium+ activities from £/€/CHF 15 per week.

Cancellation

In addition, we strongly recommend that you take out cancellation insurance, in case, at the last minute, you should be unable to participate in the language study programme that you have booked. This option is only available for EEA and Swiss citizens.

Student supervision

Safety is our highest priority

We work hard to create the perfect environment for a language study stay. The supervision of our students is effective and discreet, adapted to the age group and the type of accommodation booked. In this way, each student gets the maximum possible benefit from their stay in complete safety. From the first day to the last, Alpadia team members are present and available to give the assistance requested by each student and to ensure their safety. At our residences, students are monitored 24 hours a day. Students who stay with Alpadia host families benefit from more free time in accordance with their parental authorisation. Emergency numbers, available 24/7, are in service at each of the Alpadia course centres.

Arrival at the course centres

Easy access!

By plane

Each of the Alpadia course centres is located close to an international airport. So whatever the location you have chosen, you will be able to get there very easily! If you so wish, you may book an Alpadia private airport transfer. A member of our team will pick you up at the airport and drive you directly to your accommodation. A cost-effective alternative is the collective transfer: according to a specific timetable, based on the originally scheduled times of arrival and departure, students are collected (on arrival) or driven to the airport (on departure) by a bus with an Alpadia representative on board.

For your child's flight, we can offer you an **Unaccompanied Minors (UM)** service, provided in collaboration with the airline. Your child will be met at the airport by an airline representative and accompanied throughout the journey. This service is designed for young children travelling alone and is strongly recommended for travellers under 13 years of age (some airline companies even require it). Airlines will charge you the fees related to this service when you purchase your flight ticket; you will then need to register the UM service with Alpadia at the time of enrolment. This means your child will be collected by an Alpadia staff member on arrival, and accompanied and handed over to an airline representative on the day of departure. With this service, young travellers are sure to be accompanied at all times, at the airport and throughout their flight.

By car

Parents who wish to drive their children by car to the course venue are welcome to. Complete documentation with all of the necessary information will be given to you prior to the stay. Please do not hesitate to contact us for more detailed information.

By train

The Alpadia train station transfer service may be booked if you are travelling by train. Just like our Alpadia airport transfer, a member of our team welcomes you upon your arrival at the train station and drives you to your destination.

By bus

Alpadia organises bus transfers from the main cities in German-speaking Switzerland, bound for the course centres located in French-speaking Switzerland. This is a good opportunity to get to know some other students before arriving at the course centre.

By train, with our supervision

Available at our Frankfurt-Lahnthal course centre, an accompanying adult takes care of the students from their departure at Lausanne train station until their arrival at the Alpadia course centre. Students travel in a relaxed manner without worrying about changing trains alone.

1. Enrolment and confirmation

All registrations received by Alpadia Language Schools S.A. ("Alpadia") by post, e-mail or telephone and online registrations will be deemed to be valid. Enrolment will be confirmed within a maximum of 5 working days following receipt of a valid registration. The contract will be deemed to be finalised as soon as Alpadia has confirmed the enrolment, and will then be legally enforceable. The legal representative must sign the contract and give their exact address. The person who is contractually registered to a language course will become a participant, designated as such below. The person who signs the contract will be identified as a contract partner, designated as such below.

2. Information provided at the time of enrolment

The contract partner expressly declares that the information provided at the time of enrolment for a summer camp is true and accurate. Any inaccurate information or omission may lead to immediate expulsion from the programme. In that event, the costs of the programme will not be refundable, either in whole or in part.

3. Enrolment fees

Alpadia will charge the following enrolment fee for each registration: CHF 110 / € 75 / £ 55. This fee is non-refundable.

In the event of late enrolment, from two weeks before commencement of the language course, participants will be charged an extra fee of CHF 50 / € 35 / £ 30 for express processing of their file.

4. Agreement modification fees

In the event that a participant wishes to modify dates, the type of course or location following enrolment confirmation by Alpadia, a modification fee of CHF 80 / € 55 / £ 50 will be charged and will be payable with the modification request. No additional charge will be required if the participant decides to extend their summer camp programme at the same centre.

5. Conditions of payment

Fees will become payable within 72 hours on receipt of confirmation of enrolment as follows:

- a deposit of CHF 250 / € 170 / £ 150.
- the enrolment fee of CHF 110 / € 75 / £ 55 (not included in the cost of the summer camp programme).
- payment of the premium for the cancellation insurance and/or the health insurance (where policies have been taken out).
- in the event of booking within 2 weeks of the commencement of the summer camp, the full amount is due at registration. This total amount must be paid by credit card.

Bank fees are payable by the client. The balance of the total fees must be paid at least four weeks prior to commencement of the summer camp programme. Neither the course nor the accommodation will be deemed to have been paid for unless the relevant amount has been received into the account details of which will be provided by Alpadia upon confirmation of enrolment.

6. Payment period

The contract partner will be held liable in the event that the payment periods, specified by Alpadia in the confirmation, are not complied with. In such circumstances, Alpadia reserves the right to refuse entry to the summer camp. No claims will be accepted by Alpadia.

7. Proof of payment

Participants may be asked to provide documentary proof of payment of the full fee for their summer camp programme either before or on commencement. Failure to do so may mean that entry to the summer camp will be refused. In the case of late enrolment, Alpadia will ask for proof before sending the pre-arrival documentation.

8. Cancellation prior to commencement of the programme

A contract partner may cancel their contract in writing at any time prior to commencement of the summer camp. In that event, Alpadia will be entitled to seek payment of appropriate compensation, the amount of which will depend on the period of time remaining between the date on which Alpadia receives the cancellation and the date of commencement of the summer camp. In accordance with this principle, the amount of compensation is calculated as follows:

- 56 days or more prior to the first day of the programme: 10% of the total invoiced price
- Between 55 and 30 days prior to the first day of the programme: 20% of the total invoiced price
- Between 29 and 22 days prior to the first day of the programme: 30% of the total invoiced price
- Between 21 and 15 days prior to the first day of the programme: 50% of the total invoiced price
- Between 14 days and the first day of the programme: 100% of the total invoiced price
- Failure to participate in the summer camp or cancellation after the given deadlines: 100% of the total invoiced price

Service fees, additional to the packaged summer camp price, such as the enrolment fee CHF 110 / € 75 / £ 55, the insurance, airport transfers and Premium+ costs will remain due. The cancellation amount must be received at the latest 10 days following receipt of the cancellation invoice. In the event that a participant is refused a visa and the original refusal document issued by the Swiss/German/French/British/American/Canadian Embassy is supplied, Alpadia undertakes to reimburse the whole amount paid, less the administration fee of CHF 150 / € 100 / £ 100 and the bank charges of CHF 60 / € 40 / £ 20.

9. Cancellation insurance

Alpadia recommends that contract partners take out a cancellation insurance policy. In the event that the participant has taken out cancellation insurance and then cancels their course, they will be responsible for notifying their insurers. Under no circumstances will a cancellation insurance policy render Alpadia liable for non-reimbursement of a course. Alpadia offers cancellation insurance to EEA and Swiss citizens only. Cancellation coverage ranges from € 4000 to € 8000 and the cost of the insurance is around 3-3.5% of the total price of the summer camp. Contact us for more information.

10. Passports and visas

The participant will be responsible for complying with the security regulations, the regulations governing the obtaining of a visa, and the health regulations required to enter and stay in Switzerland/Germany/France/UK/USA/Canada. Under no circumstances will Alpadia be held liable for any notice of refusal to enter or stay in Switzerland/Germany/France/UK/USA/Canada given to a participant. Information relating to the regulations governing security, health and obtaining a visa can be obtained from the Swiss/German/French/British Embassy or Consulate in the participant's home country. No reimbursement will be made, either in full or in part, in the event that a participant is refused permission to enter or stay in Switzerland/Germany/France/UK/USA/Canada by their own fault. Alpadia will provide a letter of invitation for the visa application following receipt of all the costs of the language course.

11. Accident/health insurance

Every participant will be entirely responsible for obtaining accident and health cover valid for the country in which they intend to stay for the whole period of their stay. In the event that they does not have such cover at the time of registration, Alpadia can provide an appropriate insurance policy covering these risks if requested at an additional weekly cost of CHF / € / £ 12 or CHF / € / £ 15 for participants of our Premium+ activities.

12. Damage caused by participants / civil liability

Prior to arrival at Alpadia, each participant must take out a policy of insurance to cover any loss/damage which they may cause during the course of their stay. In any event, and even if a participant does not feel that it is appropriate for them to take out such insurance, they will be liable for any losses caused to Alpadia, its commercial partners and any other third party unless the liability of Alpadia can be clearly demonstrated. All students must pay a deposit in cash when arriving at camp.

13. Obligations of participants

Participants are required to attend the classes, activities and excursions and to arrive on time. They are responsible for choosing a course which is appropriate for their level of capability. Failure to attend the course, or irregular attendance, or any disruption to lessons caused by an individual participant's attitude will entitle Alpadia to expel the participant. The same sanction may apply to inappropriate behavior in the place of accommodation offered by Alpadia. Alpadia will not refund or pay compensation for any part of the missed course or accommodation or any additional travel costs incurred.

14. Claims

In the event that a participant wishes to bring a claim, they must notify the head of the centre immediately. Any claim for compensation must be notified in writing to Alpadia Montreux, and may not arrive more than four weeks after the contractual termination of the summer camp programme. After that time, any action taken by the contract partner will be deemed null and void.

15. Discipline

In the event that a participant is badly behaved, undisciplined, or demonstrates a poor attitude, Alpadia reserves the right to expel them immediately. In that event, Alpadia will not reimburse or pay compensation for any part of the missed course or accommodation or any additional travel costs incurred.

16. Changes affecting prices, dates or services

Until such time as a participant receives the confirmation of registration, Alpadia may change the dates and prices of the programmes published on the internet or any other communication tools at any time. Following confirmation of registration between Alpadia and the participant, Alpadia may change its programme of services, provided that the changes are minor, unavoidable, based on good faith and do not in any way affect the teaching services. In the event that the "key" services provided by Alpadia are affected by major changes, participants may withdraw or apply to join a different course of the same value, if Alpadia is in a position to provide this. Alpadia must notify participants of any changes immediately and participants must notify Alpadia as soon as possible after receipt of such notification of their intention to exercise their rights.

17. Minimum number of participants

In the event that it is not possible to achieve the minimum number of participants required for a language course (6 people for a group course), Alpadia will notify the contract partner at least three weeks prior to the commencement of the course. If Alpadia is unable to provide a replacement service, Alpadia will undertake to reimburse all fees paid to date. Under no circumstances will Alpadia pay compensation for any inconvenience or loss of time. In the event that none of the courses are appropriate for the participant's level of ability, Alpadia reserves the right to substitute the group course for private tuition. The number of hours of private tuition will depend on the amount paid by the participant.

18. Premium+ options

In the event that the number of participants for one of the Premium+ options is insufficient, Alpadia reserves the right to cancel it and offer an alternative option to the participant as follows:

- Alpadia shall inform the participant of the change no later than three weeks prior to the programme start
- when possible, Alpadia shall offer an alternative Premium+ option

In the event the participant wishes to change their Premium+ option during the stay, the following principles apply:

- only if there are still places available in the new chosen option
- only if their withdrawal from the previously chosen option does not jeopardise the continuation of this option for the other participants (minimum number of participants)
- the cancelled option will not be refunded: the fees related to the new option will be charged

19. Transfer by train & bus

In the event that it is not possible to achieve the number of participants required to organise transfer by train or bus (a minimum of 5 people), Alpadia reserves the right to cancel the transfer and will notify the participant at least two weeks prior to the commencement of the language course. In that event, Alpadia will reimburse the full cost of the transfer.

20. Activities

Depending on the weather conditions or other circumstances beyond the control of Alpadia and its organisation, Alpadia reserves the right to cancel one or more of the scheduled activities described in the brochure. In that event, Alpadia undertakes to substitute the cancelled activities with others.

21. Cancellation of our summer camp programme

Alpadia reserves the right to cancel a summer camp programme for safety reasons as a consequence of a strike, political unrest or for any other extraordinary reason. In that event, Alpadia undertakes to reimburse all costs relating to the programme, except any costs outside the actual summer camp programme itself. We recommend clients take out cancellation insurance for their travel arrangements. Alpadia reserves the right to retain a certain amount to cover administration costs.

22. Liability

Alpadia will assume full responsibility for the summer camp programmes offered and undertakes to organise them efficiently in accordance with its knowledge and experience in the sector. Under no circumstances can Alpadia be held liable for any loss resulting from illness, accident or inconvenience caused by inadequate and inappropriate service provided by any agent appointed by Alpadia. Neither will Alpadia be responsible for the loss of any valuables, personal items, money, etc. unless such losses were due to deliberate negligence on the part of Alpadia. Alpadia has a safe to keep students' pocket money, passports and other valuable documents. In case of theft, the valuables in the safe will be refunded in full and Alpadia will pay the replacement cost of stolen travel documents. However, Alpadia cannot, under any circumstances, be held responsible for other costs resulting from the loss of documents contained in the safe.

23. Safety and security

Alpadia is authorised to take all reasonable action as required to ensure the well-being and good health of the participants. Alpadia is also entitled to take all necessary measures to provide a participant with any appropriate medical care in the event of necessity. Any costs arising from such medical attention will be borne by the participant's legal representative. A written release/authorisation signed by the legal representative will be required in respect of certain sporting packages where risk is involved. Without such a signed document, Alpadia reserves the right to refuse to allow the participant to take part in certain sporting activities.

24. Protection of personal data

Within Alpadia, personal data is only recorded in the event of a request for information, offers or registration for a language course. In principle, external organisations and individuals do not have access to the Alpadia database. Personal data is communicated in order to reserve accommodation (host family, hostel or hotel) or in response to a legal demand. In certain cases, Alpadia may provide such information to competent authorities (for example, to immigration authorities). Personal data is filed and registered at Alpadia Montreux. In addition to such data being used to provide advice and information on reservation procedures to the participant, they may be used to provide participants with information about Alpadia products.

25. Promotional material

The student (or where applicable, their parents or guardian) agrees that the student's photographs, videos, artwork or other works as well as recorded or written testimonials and details of the student's accomplishments may be used worldwide by Alpadia S.A., or by a third party agent of Alpadia S.A., for promotional purposes including in its printed and online marketing materials and on any social media network without further consent or notifications. Students may be photographed and/or filmed during their summer camp programme with Alpadia S.A. and they agree to this material being used for Alpadia S.A. worldwide promotional purposes, both printed and online. The student, or their legal representative, also agrees to give consent to Alpadia S.A. to store or transfer across international borders, copies of the student images, videos and testimonials for such purposes. This agreement will be deemed non-applicable only if the student or their legal representative specifically revoke this point, in writing, at the time of registration.

26. Applicable law and jurisdiction

Swiss law will apply exclusively to the contractual relationship between Alpadia and the participant. Jurisdiction will lie with the courts of Montreux, Switzerland. The general terms and conditions of sale will not, under any circumstances, limit the laws applicable to the contract partner.

I enjoyed my time here especially the trips to beautiful places like London and Winchester. I'm happy because I practised my English and had a lot of fun with Alpadia.

Thank you!

We would like to take this space to thank our summer staff who helped us ensure that our students had an amazing time during their language summer stay with Alpadia. The team took lots of great photographs of our students and of the various activities.
