First of all, the program is well organized, so it was very helpful to improve my English skills. The combination of different lecture styles, such as lecture-discussions, teacher-lead interactions and student-lead interactions, improved speaking, listening, reading and writing. Also, I had various fun experiences because there are many activities after school. All teachers are kind and active, so I received a lot of help not only from studying but also from many parts. Thank you.

**Ana Beatriz Rodrigues**

CLLC is a big family. Staff and teachers are so friendly, helpful and attentive. I met wonderful people. The quality of classes is high. I improved my English a lot. I learned so many new things there. I made good friends and I learned about new cultures. I won't forget my time at CLLC. I'm very thankful for everything. It was really an amazing experience.

**Mijin Jeon**

I've been here for a long time. I met lots of friend from other countries and I learned many things about Canada at CLLC. All teachers are so kind and smart. I had a great experience here! Wonderful place and excellent choice!!!

**Paulino Romero**

Our heartfelt congratulations to CLLC in Halifax. The teachers are fantastic! The school's teaching methods are up to date and most effective. But, above all CLLC impacted us because of the empathy, compassion and the great way in which the staff interact with each other and students. It is quite a challenge to teach English to students from all over the world and of different ages and this school does a great job. It was a lovely experience for us, a senior couple that had not attended school in a long time.

I highly recommend CLLC Halifax. They have excellent teachers, facilities and especially in these difficult times worldwide, thanks to their commitment and passion to teach, we continue with our classes online. We're continuing as if we were in the classroom. The staff are always attentive to us and thankfully everything works very well.

**Helcio Renato Borgmann**

I have been studying for 6 months at CLLC and I have only one work to describe this experience: AMAZING. Like me, a bunch of international students come every week to Toronto in order to improve their English, and there's no better place than CLLC to do that. Since my first day, I have had an incredible welcome from the staff and teachers.

A very big Brazilian hug to everyone and my last sentence is:

Do you have any question about coming to CLLC? No, you don't. CLLC is the best English school in Canada.

**Pâmela de Paula**

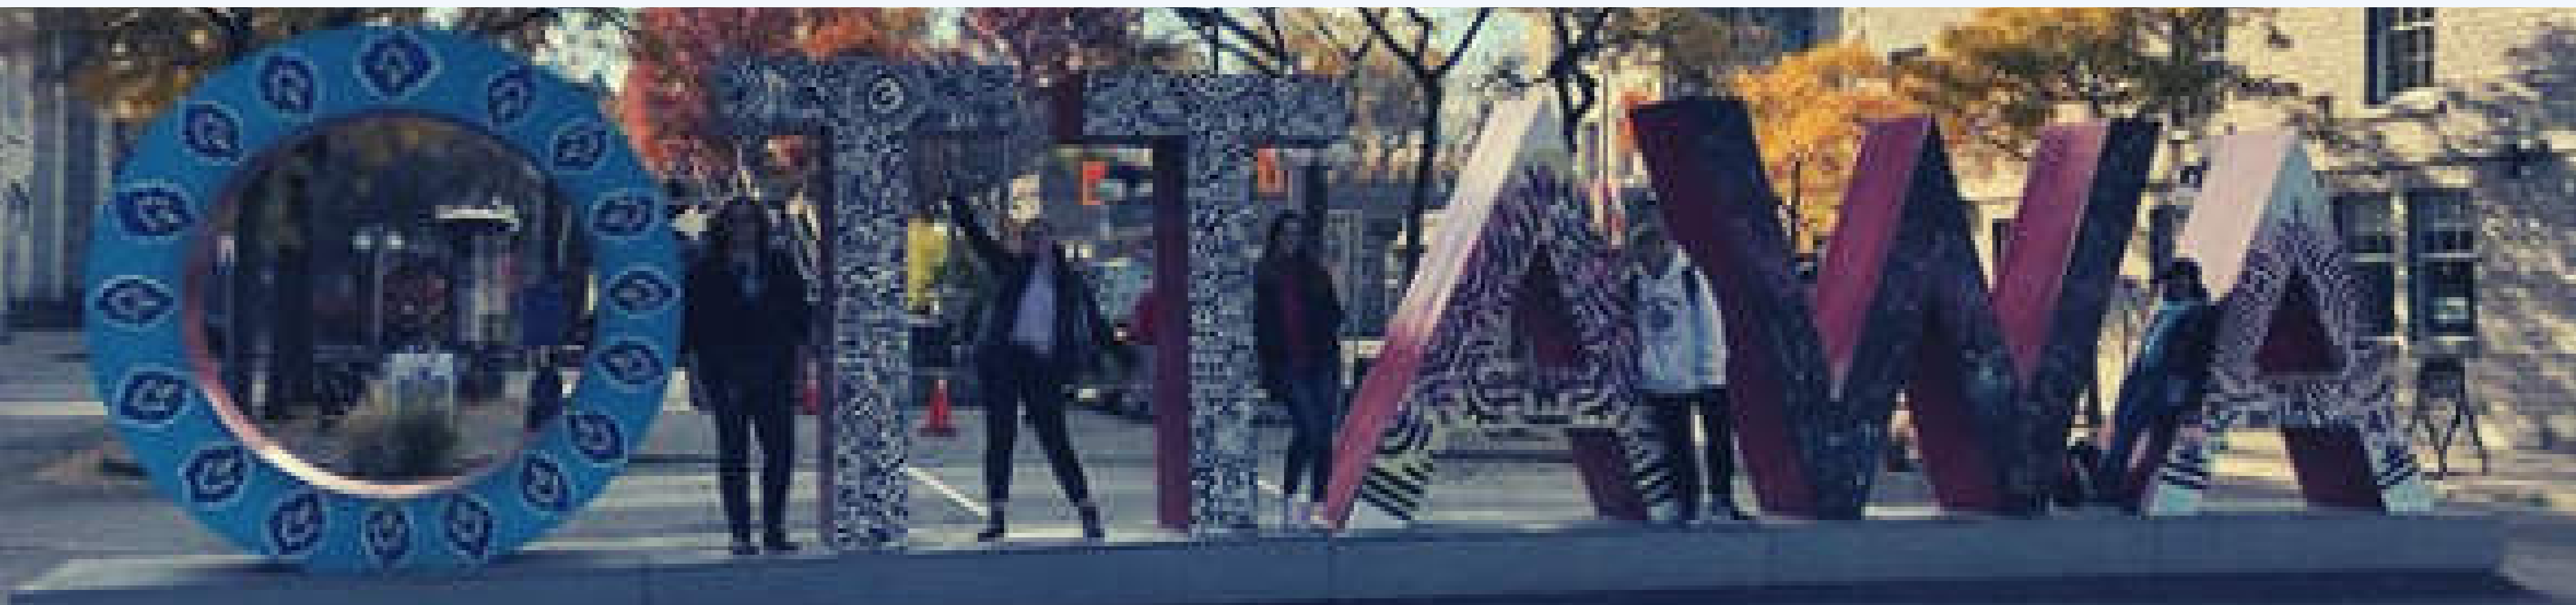

I loved studying at CLLC, the staff and teachers are very good, CLLC is like a family. I'm very happy because my homestay was really like a family to me, it helped me a lot to improve my English and they treated me like a daughter. Hylene and his family are like my second family now. Thank you for everything CLLC.

**Gauthier Marniquet**

It was a fantastic adventure in Canada, I recommend this school! The teachers are amazing! The place is perfect. I am so proud to have learned here!! I love CLLC.
