Swanage Pier

# Swanage is the Perfect Seaside Location

## There is nowhere quite like Swanage

Swanage, originally a small fishing village, flourished in the Victorian era when it became a significant seaside resort.

Today the town remains a popular tourist destination with its famous pier, over 20 restaurants and 15 traditional pubs, cafés, numerous music and arts festivals and historical attractions.

Many thousands of visitors come to enjoy the beaches, lovely walks and breathtaking coastal scenery as well as the south coast's largest annual summer carnival.

## Swanage is safe

Swanage is one of the top blue flag seaside resorts in the UK, rated for cleanliness, safety and outstanding beauty. Swanage is 2.5 hours from London and has one of the lowest crime rates in England. It also benefits from excellent transport links, with buses and trains that can take you to anywhere in the UK.

Harrow House occupies an elevated position at the heart of Swanage town, enjoying splendid views of the surrounding Purbeck Hills, the sea and the Isle of Wight. It is just a short walk to the beach and town centre.

Swanage Beach

## Swanage climate

Due to its geographical position, Swanage enjoys a very mild climate and often heads the British Sunshine League.

Iconic Landmark of the Jurassic Coast – Durdle Door

# The Jurassic Coast is a Natural UNESCO World Heritage Site

## Breathtaking scenery on the doorstep

Welcome to the Jurassic Coast, England's only natural UNESCO World Heritage Site.

This unique stretch of coastline has joined the ranks of the Great Barrier Reef and the Grand Canyon as one of the wonders of the natural world. The coast is famous for its fossil discoveries, its unparalleled range of beautiful sandy beaches and its many historic towns and villages.

Harrow House is the leading educational venue to host groups from the UK and around the world who come to visit and study this uniquely beautiful stretch of coastline.

## English culture and history at its finest

The Swanage and Purbeck coast in the county of Dorset on the south coast of England has an abundance of globally significant geological features.

The Jurassic Coast as a whole comprises 8 sections along 155 km of largely undeveloped coast, which displays 185 million years of the Earth's history, including a number of internationally important fossil localities.

Swanage is very fortunate not only to be the gateway town to this UNESCO World Heritage Site but also to have its main visitor centre located at Durlston Castle and Country Park.

## Rich in history

The Jurassic Coast is just the start of an amazing journey into British history. Swanage, and the surrounding area, is quintessentially English and is surrounded by beautiful villages, castles and stately homes as well as historic sites that date back to prehistoric, Roman, medieval and Victorian times.

## Which Course and Accommodation?

If you have any questions about the course and accommodation options available to you, please contact our team of dedicated Admissions Consultants at [info@harrowhouse.com](mailto:info@harrowhouse.com).

All students take a placement test on the first day of their course. The exact level of each student can then be determined and the student is placed in a class which is best suited to their age and ability. Weekly teachers' meetings enable us to monitor the progress of each student and to decide whether a change of level is necessary.

Please check the English language level requirements for each course before completing the enrolment form. Courses at beginners' level are offered to Young Learners and Junior Course students only.

## Accompanied supervision

Fully qualified teachers ensure a high standard of education, in a fun and friendly classroom environment.

Young Learners are supported by Teaching Assistants both in their English tuition and on activities. The assistants also accompany the children at meal times to ensure healthy food choices are made and the children are eating well. They also work with their Young Learners during the evenings, assist with laundry and practical tasks and supervise their bedtime routine.
