## WHO WE ARE

Our story began in 1953 when John Haycraft (CBE) and his wife Brita Haycraft started a school, because they believed in intercultural understanding through language learning. We have continued their mission and changed people's lives through language for nearly 70 years.

International House London is a charitable trust and we reinvest profits to improve your learning experience.

## BOOKING

## CONDITIONS

By making a booking with International House Trust (trading as ‘International House London’) you agree to the terms and conditions as set out below. Unless specifically agreed in writing, these conditions have precedence over any other communications.

If you have made a booking via a Educational Travel Operator (ETO), your contract is with the ETO and not with International House London.

### Course availability:

Every attempt will be made to place you on the course of your choice. However, we cannot guarantee a particular course and timetable until you have taken an entry test and, for some teacher training courses, had an interview. In the event of insufficient applications for a course, the school reserves the right to offer an alternative course of equal value or a refund.

### Age

Our minimum age is 16 years, except for specific young learner programmes, and our Executive English programmes, where the minimum age is 21.

### Insurance

It is highly recommended that all students take out comprehensive travel insurance. We can provide competitively priced student insurance for £7 a week. Please see: [ihlondon.com/useful-information/insurance/](http://ihlondon.com/useful-information/insurance/) for more details.

### Student visa regulations

For the latest information about student visas for the UK, see our Getting a Visa page or visit the [www.gov.uk](http://www.gov.uk) website. You may require a student visa to study in the UK.

Anyone with a UK standard visitor visa will be allowed to study for up to six months. A study visa will be required for extended stays of up to 11 months. An alternative but more expensive route is the Student Visa (Sponsorships) visa route. We are a Student Visa (Sponsorships) Sponsor under the UKVI’s points-based system (no. 5BY3ENNA5).

If a visa is required, it is your responsibility to obtain the correct type. If you require a visa and arrive without one, you will not be able to attend the school. You must study for a minimum of 15 hours per week to comply with immigration regulations. A course may be terminated at any point if a participant is found not to have the right to study in the UK or if the conditions under which they are allowed to study in the UK are broken.

The school has a legal obligation to collect and maintain application information, as well as passport and visa data. For Student Visa (Sponsorships) visa holders, the School has an obligation to inform the Immigration Authorities about students whose attendance falls below the standard required by their visa.

If a visa application is unsuccessful, yet all documentation was correctly submitted, please send a copy of the visa refusal letter to our admissions team. A course fee refund will be issued when we receive this document.

### Attendance and student holidays

Students on courses of 12 weeks or more may take one week of holiday for every 12 weeks booked. Holidays must be booked at least 7 days in advance and cannot be taken during exam preparation courses.

Students are expected to attend lessons regularly and on time. No refunds will be provided for lateness or unauthorized absence.

### Public Holidays

Unless otherwise stated there are no classes on public holidays in England. The dates of the public holidays are as follows: Monday 03 January, Friday 15 April, Monday 18 April, Monday 02 May, Thursday 02 June, Friday 03 June, Monday 29 August, Monday 26 December and Tuesday 27 December. Please note that there will be no classes from Saturday 25th December 2022 until classes restart on Tuesday 3rd January 2023.

### Airport and railway station transfers

We can provide transport from your airport or train station to your accommodation at prices stated in our price lists. Once booked these fees are non-refundable irrespective of whether or not the service is used. These fees must be paid at least four weeks before the transfer date.

### Code of Conduct

The school reserves the right to terminate an enrolment without issuing a refund, where a participant’s behaviour is such that it would be unreasonable for them to continue their studies. We also reserve the right to refuse to admit onto the premises or cancel a student’s course or accommodation due to overriding health and safety concerns,

### Special offers

Discounts cannot be applied retrospectively to existing bookings and only one discount can be applied to a booking.

### Variation to fees

We usually set, and hold, our fees for a calendar year. Fees are chargeable based on the fee for the course published in the brochure for the year in which you choose to study. However, if you book a course before 1st November for the following year you may choose to be charged the fee at the current rate. Please note that if you extend your course, additional weeks will be chargeable at the fee applicable on the date that you extend your booking.

### Deposits

All of our courses require a deposit at the time of booking. Deposits are non-refundable, except under the visa refusal conditions detailed above.

Deposits for individual students are £200 unless this is more than the value of the course fee. Deposits for group bookings are 10% of the total course fee.

The payment of the deposit provisionally secures your place on the course.

### Tuition Fees

The full fee should be paid upon booking and no later than four weeks before the start of your course. If not paid via our online booking system an invoice will be raised and sent to you. We do not allow students that owe fees to attend the class or to enter our accommodation. Your place is not confirmed until the full course fees have been received.

We charge a registration fee of £98 to cover our costs in processing your application and issuing your student access card. This fee is not payable by existing students, re-enrolments within a year of leaving, modern language courses, or young learner courses. This fee is due upon booking and is non-refundable.

We know that everybody doesn't always like to do the same things, so we always offer a choice of activities when we can.

Below is a typical week's schedule so you can see how much fun you can have as your spoken English fluency skills improve and your vocabulary gets bigger !

All events, excursions and activities are led by one of our teachers - so it's English only whilst the lesson continues! You can choose if you want to participate or not and only pay for your own costs eg. Train ticket and lunch on a full day excursion.

NB - Junior Students (under 18 years of age) have separate activities which are closely supervised by our staff. Please see Junior Courses for details.

### Adventure Surf club

The children on this programme range from 10-16 years old and live in townships in Cape Town. The main goal is to keep them off the streets after school. As a volunteer you will help teach valuable life lessons through adventure activities, teamwork, educational classes and sports such as skateboarding, swimming or surfing. For most of the children this is the highlight of their day, which is why we also use it as an incentive for them to do well in school.

### Project Highlights

- Learn to surf and teach children how to surf
- Spend your days on the beach, play beachsports
- Gain experience working with children

## Project 2

### Sports & Youth Development

This project is for children from severely disadvantaged areas. After school we do various sport projects where we teach and play team sports, which not only develops children, but is also a way for the children to be exposed to better role models.

### Project Highlights

- Experience township culture
- Help lower socio-economic problems
- Make a genuine difference

# English & Volunteer

Combine your English studies, either before or after a course, with a volunteering experience. Volunteering in South Africa is a great way to give back to the community, to make a difference in the lives of others while also experiencing all that Cape Town and South Africa has to offer. Volunteers pay a fee that covers the costs of their stay such as accommodation, transport and meals as well as a donation that assists to finance the projects. In return, volunteers get to experience African culture, see our beautiful country, learn some new skills and make a difference to those people and communities most in need. Most importantly you will make many new friends and memories that will last a lifetime, and you will return home a changed person

**Choose from one of our four different volunteer programmes:**

- Humanitarian
- Conservation
- Wildlife
- Sports & Skills Development

# English Plus

Combine your English courses with one of the following exciting programmes:

## English & Surfing

Combine your English course with lessons in the afternoon on how to surf with Stoked on Surf, at Muzienburg beach. We guarantee that you will be able to surf! Surf lessons also include general ocean understanding, surf safety, weather and wave predictions.

## English & Safari

Combine your English course with a popular 3-day Garden Route & Safari tour, either before or after your English course at IH Cape Town. This is a great opportunity to explore more of South Africa and be fascinated by the Big 5 and other amazing wild animals.

## 50 Plus Programme

This course is for all the eager travelers who want to combine learning English and exploring a new country, city and culture with like-minded people their own age. Our 50+ course is designed to give you a great cultural, historic and culinary experience in Cape Town whilst improving your English skills.

It is aimed at helping more mature participants to communicate freely in English. Students can choose between our Standard English or 10 hours of Private lessons and all levels are available, including complete beginners. The course also includes a varied programme of activities and excursions designed specifically for this age group.

# Social Programme

The weekly social activities organised and hosted by the IH Cape Town staff are diverse, interesting and more importantly, fun! The team also organises an exciting monthly event which is by far one of the highlights for many students. This once-a-month gathering is a fantastic opportunity for students to mingle with each other and for the IH Cape Town staff to learn a little more about each of them. The activities are held at various distinctive locations in Cape Town.
