Student Welfare

The safety and well-being of students in our care is our top priority. All LSI centres work with local and national agencies to ensure that we maintain the highest industry standards in safeguarding and child safety.

Students are supervised both in the classroom and on social activities. School staff are available to both students and parents at all times. LSI also provides trained welfare officers in all our schools to offer any additional support required by the students.

Security is also a priority when selecting the right kind of accommodation for our Junior students. LSI homestays are carefully selected and regularly visited by a trained member of staff, while our student residences provide 24 hour supervision.

In Canada, for students under the age of 18 travelling without a parent or guardian and coming from countries requiring visas to enter Canada, Canadian embassies may require custodianship forms. LSI offers custodianship services.

To ensure student welfare there is a 10pm* curfew, unless students are on a supervised LSI activity. Valuables such as passports and airline tickets may be left with the centre manager on the student's first morning, to be kept securely locked in the school.

* 9pm in the UK

Student Welfare & Safeguarding

- School Student Welfare & Safeguarding policies and procedures are evaluated by local accreditation agencies
- Each school has dedicated Student Welfare & Safeguarding Officers
- LSI homestays and staff are subject to background checks
- Students have strict curfew times
- The school has a 24 hour emergency telephone number
- Students must sign a code of conduct. This ensures safety, enjoyment of the course for all participants and protects against bullying, both in school and on-line

Please note, students are not supervised by LSI staff on journeys to and from school and on journeys home from activities.

“I learnt a lot and had very good, fun teachers. I met students from many other countries and had a really good time at LSI.”

MARIA JORDA GIRONES, SPAIN

Courses for Kids and Teenagers

Our language classes feature engaging activities that emphasise communication and the core skills (Speaking, Writing, Reading and Listening) whilst building knowledge of key grammar and vocabulary.

Materials are designed specifically for kids and teenagers and offer interesting project based activities via a topic based syllabus. For language students aged 16-17 we also offer exam preparation in some centres (see our Young Achievers Exam Course).

Classes are held in our modern school buildings. We also use the local city as a classroom. Many lessons are linked to activities where students interact with local people and learn about the history and culture of the location whilst they develop their communication skills.

Young Achievers Exam Course

Combine the best of the academic, cultural and leisure programmes that the UK has to offer with this Young Achievers Exam Course.

Twice a week you can exchange two activities for exam focus workshops. Here, the teacher will introduce a wide range of English Language exams - from IELTS to Trinity to CAE - allowing students to gain key insights, practice and improve their exam techniques and their chances of achieving the highest grades.

We may also be able to help with an exam specific to your country, if you can provide a sample ahead of time.

Still with three afternoons and a full day at the weekend for activities and excursions, there is still a great balance and plenty of time for fun, getting out and about and exploring.

Homestay Accommodation

Our students stay with carefully selected host families in the neighbourhoods around the language school. Some hosts are further away, but commutes are generally simple and will be explained on the first day by homestay hosts. Meals are provided every day and laundry, towels and bed linen will be changed weekly.

Students stay in twin rooms and are matched by age and gender. When possible, we match students from countries where different native languages are spoken. If we have an odd number of students booking twin rooms, it is possible that a student may stay in a single room for no added cost. If you would like to book a single room, this may be available at some centres. Please contact the school for further details.

Residential Accommodation

LSI operates residence based summer camps for kids and teenagers in a number of locations around the world. All our residences are modern, comfortable and safe, conveniently located in and around city centres. Students stay in fully furnished, single or shared rooms. Most bedrooms are singles with private, en-suite bathrooms.

LSI staff also live in the residences, providing 24-hour care. The staff-to-student ratio is high and we are always available if you have any questions or need help. Activities are organised for students staying in residential accommodation on most evenings.

Lessons may take place at the residence or at a nearby year-round LSI school. Residential accommodation is recommended only to independent students who are mature and responsible. Please add a note to your enrolment if you prefer a certain room type.

- Central accommodation in comfortable and secure buildings
- LSI staff living on-campus, providing 24-hour supervision
- Mainly single bedrooms with some twin bedrooms available on request
- Private ensuite bathroom and showers - a few are shared with 3 or 4 others.
- All meals included at the residences, at the school or in a convenient location nearby
- Laundry facilities on site - you must do your own washing and additional fees may apply
- A change of bed linen once per week

Social and Cultural Programmes at LSI

To compliment our language programme for kids & teenagers, we offer an exciting mixture of cultural, fun and social activities to make sure your child gets the most from their stay.

These fun, educational activities ensure that our young learners develop their language skills both inside and outside the classroom. They will discover more about their host country, the culture and people. They will mix with their peers from around the world, making new friends and practicing the language in a natural environment.

Our structured activities are fully supervised allowing parents and guardians to have complete peace of mind. Social programme leaders are selected for their enthusiasm, energy and caring attitudes and crucially enjoy working with kids of all ages. In some locations, students on the residential and non-residential programmes take classes and activities together. All residential programmes include additional evening activities.

Family Programme

LSI Family Programme

Designed for parents who wish to combine a family holiday with their language studies, the LSI Family Programme allows parents to choose from a wide selection of adult courses while their children follow one of LSI's specialised language programmes for juniors. Classroom activities and teaching methods are specially adapted to suit both adults and children, ensuring that the whole family will have fun while learning.

The family programme is offered in all LSI schools where the Juniors programme is run.

LSI Family Programme for Younger Juniors (6–11 years)

For our youngest students (6–11 years), LSI runs a summer family programme at San Diego, San Francisco/Berkeley, New York, Toronto, Brighton, Cambridge (9–11 years), London Hampstead and Paris. A winter programme is also available at London Hampstead, Berkeley and San Diego.

In most locations, the programme is offered on a course only basis except for Cambridge where it is offered with optional activities. Our school in San Diego can also organise an activity package on request.

Depending on the family size and availability, LSI can organise accommodation in a homestay or in apartments. Our centre in San Diego also offers an on-site child care option for children under 6 years of age with qualified teachers who will provide age-appropriate lessons, activities, and crafts in a fun and nurturing environment. The younger children may also accompany their siblings and parents on activities and excursions, such as the San Diego Children's Museum, Balboa Park, and San Diego Zoo.

“A very good course and a creative way to improve your English, with lots of kind and helpful teachers!”

FILIP MISUROVIC, MONTENEGRO

Group Only Junior Centres

All our LSI language centres offer year-round language courses for juniors to closed groups. Study German in Zurich or English in Auckland, the choice is yours.

Our courses all include language classes, full board accommodation, social activities and full day excursions. Each group is required to travel with a group leader. Check with individual schools for details of age ranges, minimum group numbers, maximum class sizes for closed groups and discounted/waived fees for group leaders.

Zurich

Junior courses are run in a renovated period building located in the trendy Seefeld area of Zurich. We offer residential accommodation at the youth hostel across the lake. LSI Zurich requires a minimum of 6 students per group and early booking is advisable to reserve the accommodation.

We have a selection of activities to choose from but popular excursions include trips to the Uetliberg, Masoala Rain Forest and Rheinflall or exploring the city by bike. A day trip to Europa Park can be organised at the weekend.

London Central

This school is the sister centre to London Ealing and offers group only courses to juniors outside the peak summer months when the London Ealing school is no longer running. The centre accepts bookings from groups of 10 or more students and can arrange homestay accommodation.

Usual activities on our juniors course include trips to the zoo, boat trips and museum visits, but the school is also able to custom make programmes for groups.

Auckland

Situated right in the heart of the city and next to Myers Park, our centre is a bright and welcoming place to study. The school accepts group bookings of 10 or more students. Homestay accommodation is provided with a minimum of two students being placed with each host family.

Sample activities and excursions include surfing at Muriwai, horse riding, ferry trips, ten pin bowling and a trip up Auckland's iconic Sky Tower.

“The classes were very varied and very funny. I learned a lot. The excursions in the afternoon were interesting.”
