Courses start: The ELS Language Centers curriculum is organized into 4-week sessions. For that reason, we strongly recommend that students make every effort to begin their studies on a regular Start Date and study a minimum of four weeks. That way they will receive a full orientation and complete the full 4-week session. However, we recognize that students are not always able to arrange their travel around our schedule; therefore we will accept students for a minimum of two weeks, and they are able to begin their program on the second or third Monday of a session.

***English for Executive Program:** Morning classes are with the regular ELS Students and not with other executives.
