We think you'll love the energy and excitement of London. While you are studying here you can experience it all, from museums and art galleries to music concerts and sports events. How about spending your weekends visiting a traditional English village, historic city or a seaside resort? The train network can take you outside of London to see all England has to offer.

The English Studio London

Learn English in the centre of one of the most exciting cities in the world with The English Studio. Our school is in Holborn, and this location gives you access to the city centre's famous attractions, sights and events.

Whether you are staying in our accommodation or living somewhere else, you will find it easy to travel to school via the underground, train, or bus. Holborn Underground Station is opposite the school, providing quick access to the rest of London via the Central and Piccadilly lines.

Social Programme

Our social programme is full of opportunities to meet classmates outside of lessons to practise your English, have fun and — most importantly — to make friends.

Every week, we organise a variety of sightseeing, cultural, and leisure activities, so there is something for everyone to enjoy. We make sure the activities are affordable for people on a budget, and they are often completely free!

Ask at Reception or visit our website to see what's on the current social programme calendar at englishstudio.com/social.
